

National Membership Policies

Note: These are the HOG National Membership Policies not the local Chapter Policies.

Membership Types

Full - Entitles you to all the benefits of Harley Owners Group® membership (except the "Life Member" patch and pin) for the term of your enrollment: one, two, or three years at a time.

Associate - To become an associate member, you must be sponsored by a full or full life member. Associate membership entitles you to many, but not all, of the benefits of Harley Owners Group membership for the term of your enrollment: one, two, or three years at a time.

Full Life - Entitles you to all the benefits of Harley Owners Group membership (including the "Life Member" patch and pin) for as long as you own a Harley-Davidson® motorcycle.

Associate Life - To become an associate life member, you must be sponsored by a full life member. Associate life membership entitles you to many, but not all, of the benefits of Harley Owners Group membership (including the "Life Member" patch and pin) for as long as your sponsoring member owns a Harley-Davidson motorcycle.

New Vehicle Purchase (NVP) Program - A one-year full membership is automatically issued to the purchaser of a new unregistered Harley-Davidson motorcycle. An automatic membership is generated to the individual whose name first appears on the title. (That is, if more than one name appears on the title, only one membership is generated.) Memberships are not generated for motorcycles titled in a company name. If you are a current H.O.G. member at the time of a new unregistered Harley-Davidson motorcycle purchase or have been within the past two years, please provide your membership number at the time of sale to receive an automatic one-year extension. This will prevent a duplicate membership from being generated.

Renewing

Before your H.O.G. membership expires, you will be invited to renew. Upon renewal, you will continue to be eligible for all benefits, programs, and services. You will also receive a specially designed renewal patch and pin, as well as an updated Touring Handbook (full and full life members) and Membership Manual. (Please allow four to six weeks for delivery.)

To receive your renewal package sooner, renew your membership before it expires (the price will be prorated based on your renewal date). Two- and three-year renewals are available, as is an automatic renewal option for credit card users.
