

CONGRATULATIONS on the purchase of your new Harley Davidson motorcycle.

This is our gift to you.....

Complimentary Sunshine Coast H.O.G. Chapter Membership

All purchases of a brand new bike from the Sunshine Coast Harley-Davidson Dealership receive a complimentary 12 month membership to the Harley Owners Group (H.O.G.) in AUSTRALIA. But there is more. In support of your purchase the Sunshine Coast H.O.G. Chapter would like to offer you complimentary free membership up to the 30th of April. That's right; we will waive the cost of becoming a member to the Chapter for the first period.

To activate this offer we simply need you to come to at least one monthly meeting and to attend at least two monthly rides. Getting started is easy as you need only contact our Membership Officer, Sue Briffa, on 0412 102 349 or at membershipofficer@sunshinecoasthog.com.au. You can even just rock up to the Waterfront Hotel at 2/46 David Low Way, Diddillibah, QLD, 4558, on the Wednesday before the third Sunday of the month before 7:00PM and introduce yourself to anyone and we will make you welcome. If you can't make it there then consider contacting us and meeting us at the monthly ride held on the third Sunday of every month. Just contact Sue, or myself as the Chapter Director, on 0439 321 821 or at director@sunshinecoasthog.com.au and we will let you know the location and times for the ride.

We will explain who we are and what we do which is really simple. We ride Harley-Davidson motorcycles as much as we can whilst exploring our country and meeting other like-minded people. We often go for day and overnight trips and we support numerous Charities and local events at the same time. Visit our website at <https://www.sunshinecoasthog.com.au> to see who we are and what we do.

The Harley Owners Group is much more than just a motorcycle organisation. It's more than a million people around the world united by a common passion – making the Harley-Davidson dream a way of life. Belonging to our 'family' opens up a whole new world of benefits on and off the road with both social and riding enjoyment. From the very beginning, there's been something about Harley-Davidson motorcycles that brings people together. It's a bond that is hard to explain, but is as easy to recognise as two riders giving a wave as they pass on a stretch of road. The Harley Owners Group was created to help people who share that bond get the most out of the experience of owning and riding a Harley-Davidson. H.O.G is an international organisation founded and sponsored by Harley-Davidson Inc. H.O.G started in 1983 and has over 1,100,000 members worldwide.

Your reasons for choosing to buy a Harley-Davidson motorcycle were your own. Often it is difficult to explain to those around you. Most people do not realise that it's not only a new Harley that you have bought – it's a LIFESTYLE!

Come and join the fun.....it's FREE.

Kim Jorgensen (Jorgo)
